I should like to thank the weather, for once again fooling us all into thinking we'd have a good day and then bringing the wind on. Secondly thank you to all competitors and officials for putting up with my start sheet error with good humour. I should also like to thank the members of Southend Wheelers for marshaling the course and the myriad of other jobs that need doing on the day, Eileen Bristow and Irene Chapman for refreshments, Brenda Hall and John Cottee for timekeeping and Kathleen Swanwick for first aid. Finally, congratulations to the winners, especially James Goward who won category C last year with 2:03:10. That's a 6 minute improvement.

I hope to see you all next year

Arthur Knowler
