----------	----------	------	------	----------	---------

Note - not all possible categories of Team Records have been recognised historically. Certain records (e.g. Women Veterans) only apply back to 2012. If you believe that faster times have been set in the past, [then please send supporting evidence to myresults@southendwheelers.org](mailto:myresults@southendwheelers.org)

New team records will be added as and when they are qualified.
