Who was Tony Andrews?

The Andrews Trophy is in memory of Tony Andrews.

Presented to the Club by the Chelmer CC in 1982. The Andrews Trophy Road Race was a Romford RC promotion which started in 1963. Tony, together with his elder brother Brian and parents Jack and Ena we're all Wheelers' members. Tony left the club to join the Zeus RC and then was one of several riders that broke away to form the Romford RC, including Derek Worsley and Fred Little.

Following Tony's death from leukaemia the Andrews Trophy was organised by Romford RC, then the promotion was passed to the Chelmer CC and now with Southend Wheelers.

Who was Florrie Newbery?

Florrie Newbery was the first woman to join Southend Wheelers on 3rd February 1937.

Florrie went on to lead many club runs, generate interest for local woman riders to join and compete in the club time trials. She was also our first female committee member.

When considering a new woman only road race, we wanted to honour that period in our history, when women riders first started to enter Southend Wheelers.
